Creating a Collaborative Colour Poster

Step 1

Find an image, or create a collage of images that represent the main idea.

Step 2

Select a quote that is critical to the main understanding.

Step 3

Agree on a phrase that highlights the main idea – this must be an original phrase. Use it as the title for your poster.

Step 4

Add in your own thoughts/ reflections - in an image or with key words that relate to the main ideas.

Step 5

Sign your poster using your colour pen.
