LOOPY CARDS INSTRUCTIONS

5. The other players search for the English interpretation of that phrase at the top of the card/s they have been dealt.
6. The first player to call out the correct answer (provided they have the card with that on it) is the next caller. They then read out the phrase in te reo Māori at the bottom of that card and lay their card on the table, linking it to the first card (like dominoes).
7. Play continues as per instructions 5 and 6 until all players have finished using their cards.
